

## Digital Documentary Artist's Statement Graphic Organizer

Use this organizer to help you write a 2-3 page summary of your experiences in making the documentary. Use this opportunity to reflect on the strengths of your work, your audience's reactions to your work, and where you would like to go from here.

First paragraph:

*This should include the Essential Question, a brief listing of answers to the focus questions, and your conclusion.*

Essential Question:

Answers to Focus Questions:

Conclusion / Answer to Essential Question

Second Paragraph:

*This section should include the reactions of others to your work. Be descriptive of your sources – say “students who viewed the work said...” or “my parents felt...”.*

What did at least three others think of the work: (Use quotes if possible)

Third paragraph:

*This section should include your thoughts what you might do differently if given the opportunity to do this project again.*

List at least three areas in need of improvement with examples:

## Digital Documentary Artist's Statement Graphic Organizer

Fourth paragraph:

*This section should include your thoughts on the strengths of the work! Give examples.*

List at least three strengths with examples:

Fifth paragraph:

*Use the last paragraph to form your overall opinion of the work.*

Overall, how do you feel about your part in the process of creating the work?

Overall, how do you feel about the final product?

What did you learn from this project?
